WHAT IS VR WORLD?

VR World is the largest U.S. mixed reality entertainment destination showcasing over 50 unique experiences, from art and film to gaming and multiplayer features. We are redefining entertainment through merging culture and cutting edge technology, turning the best of virtual and augmented reality into good times.

An attraction by day and an entertainment lounge by night, VR world is a beautiful place to touch the future, explore and live it. Enter VR World and yours will change forever.
