WHAT IS VIVI BUBBLE TEA?

With their cutting-edge technology for tea production, VIVI Bubble Tea launched the Taiwanese bubble tea business in America in 2017. Through the constructing of the VIVI trademark and our continuing extensive customer support, the first store in New York has expanded into our chain of over 60 branches. This expansion, with our goal of spreading the footsteps of traditional bubble tea to all parts of the country, demonstrates our first step in the undertaking of such a mission. We guarantee to provide customers the best of quality and service, strictly only using ingredients shipped directly from Taiwan, all of which approved by FDA, to brew you the freshest and most authentic Taiwanese taste in every sip.
