WHAT IS KAJIKEN?

Kajiken is a renowned Japanese chain known for our exceptional abura soba. At Kajiken, we dedicate ourselves to perfecting the art of this distinctive ramen style cuisine, emphasizing our unwavering commitment to flavor and technique. With precise seasoning, meticulous cooking methods, and the finest ingredients, we create an unparalleled taste experience that defines our brand.

In 2010 the first Kajiken was established in Fukue, Showa-ku Nagoya in Japaby Kenichi Kaji, featuring abura soba that gained popularity worldwide. The first affiliated franchise store opened in Sakae, Naka-ku, Nagoya four years later and continued to expand and grow. Kajiken has successfully expanded its presence globally, with over 100 stores and has ambitious plans to open an additional 100 locations, shifting its focus towards expanding in the US market.
