AREAS TARGETED:

Maryland and Northern Virginia

SIZE REQUIREMENTS

- 4,000 - 6,000 SF
- Prefers 2nd gen restaurant, but not required

WHAT IS YUMMY BOWL?

Yummy Bowl is a Mongolian grill restaurant where you build your own bowl choosing an array of starch, protein, vegetable/fruit, seasonings, and sauce options. After you select your combination of food, you drop off your bowl with our chefs to stir-fry your bowl perfectly for you. We also offer many other food options such as sushi and sashimi of different varieties, ramen, soup, salads, and desserts.
