WHAT IS SHOTTED COFFEE?

SHOTTED, a Saudi Brand coffee shop in the heart of Tyson that offers premium Espresso Drinks, Desserts, and Baked goods. A Saudi Café, inspired concept to take the typical coffee shop experience to the next level with sharing quality and positive community vibes.

Started in 2019 as a pop-up cart in the DMV, we enjoyed sharing amazing coffee and different flavor experiences with the community.

Early 2020, our journey at Tyson's Corner Center started to serve the community with amazing coffee, lattes, and sweets.
