WHAT IS DOLAN UYGHUR RESTAURANT?

The Uyghur way of life is now at a crossroads. One path leads to cultural preservation and dignity for the Uyghur people. The other path is less than certain. At Dolan Uyghur Restaurant, we are committed to preserving what we can – the food and flavor of Uyghur culture. We do so by serving our customers brilliant meals prepared in distinctive, central Asian style. From Hot chicken stew to Laghman , handmade noodles to handmade dumplings, every dish is prepared by our chef who thoroughly understands that delicious food is at the heart of traditional Uyghur life.
