WHAT IS CHEF TAN?
Enjoy an exceptional journey of taste. We see our customers as invited guests to a party, and we are the hosts. It's our job every day to make every important aspect of the customer experience a little bit better.

The secret of our success: a distinctive, well-preserved and comfortable space, high-quality products, authentic cuisine, food and drinks are done flawlessly.

Our Food Philosophy: Sichuan cuisine is a style of Chinese cuisine originating from Sichuan Province. It has bold flavors, particularly the pungency and spiciness resulting from the liberal use of garlic and chili peppers, as well as the unique flavor of Sichuan pepper.

Hunan cuisine, also known as Xiang cuisine, is well known for its hot and spicy flavors, fresh aroma, and deep colors.
