WHAT IS RESTING RAINBOW?
The public doesn't cremate humans together and we do not believe our four-legged family members should either. We are true animal lovers that know love and dignity should be given to every creature on earth. All services are performed at our State-of-the-Art facilities in Florida.

Upon request, you may be present during the cremation process. We also offer a beautiful viewing room at no charge for special services of your lost loved one. Here at Resting Rainbow, we offer love and compassion for your four-legged family members with the same dignity and respect that's given everyone in your family.
